Data Protection

The Supplier / Service Provider consents and authorizes the release from time to time of any or all personal or professional data that is necessary or desirable for the administration of the Prequalification process (the “Relevant Information”). Without limiting the above, the Supplier / Service Provider permits CISP to collect, store, dispose of, process, register, and transfer to the Relevant Institutions all Relevant Information (including any professional and personal data) that may be useful or necessary for the purposes of the administration of the Prequalification. The Supplier / Service Provider hereby authorizes the Relevant Information to be transferred to any authority that CISP considers appropriate. The Supplier / Service Provider shall have access to, and the right to change, the Relevant Information. CISP will lawfully process and share the Relevant Information in accordance with applicable Data Protection Laws.

Definition of the “Relevant Information”

All relevant information shall be requested on procurement and shall be kept by CISP in electronic and physical form and shall be disposed of in accordance with CISP data / document retention policies. The relevant information is contained in the following documents: Company profile, identification documents certificate, passport-sized photos, Certificate of Good Conduct (from CID), Recommendation Letters, CVs, Application letters, banking forms, insurance forms, etc.

CISP is strongly committed to ending Child Abuse, all forms of Sexual Exploitation and Abuse, and to building a work environment that is safe and welcoming for all, where Sexual Harassment does not take place. The desired supplier / service provider for any category should share and support this commitment in all aspects of their personal and professional behavior. Any history implicating that the supplier / service provider has a history of Child Abuse, Sexual Exploitation and Abuse, or Sexual Harassment, is a reason for excluding them from engagement with CISP.
